Czym jest wiersz jednoliterowy? Może ta antologia nie tylko pomoże odpowiedzieć na to pytanie, ale też zachęci do uprawiania tej formy twórczości. Instytucje kulturalne nie podjęły się pomocy w zorganizowaniu tego projektu, na zasadzie „my nie robimy takich rzeczy”. Zaprosiłem ponad sto osób z Polski i kilkadziesiąt z innych krajów. Chyba wypada teraz napisać coś po angielsku, zresztą sami zobaczcie.

One letter poems are a minimalistic form, usually using a single shape, that is (or looks like) a letter. But what is a letter? We can look for historical sources, e.g. in Ancient Egypt or in Ancient China (in general, if something is ancient, it probably has something to do with searching for letters). The Anthology is an effect of a wonderful cooperation of artists from many countries.

Thank you all so much for taking part!
